

## Shared Clinical & Practice Guidelines

This document provides a curated list of available clinical guidelines or fact sheets relevant to paediatric physiotherapy, collated by the Practice Committee of the International Organisation of Physiotherapists in Paediatrics (IOPTP). Many IOPTP members organisation kindly agreed to share these materials. This resource list should not be considered an endorsement of any given clinical guideline or fact sheet by the IOPTP but rather provides quick access to guidelines and fact sheets that may be of interest or value to paediatric physiotherapists.
