

### OUR VISION

To empower physiotherapists with an interest in paediatrics to provide effective physiotherapy services for children throughout the world

### OUR PURPOSE

To represent and advance paediatric physiotherapy internationally, acting as a knowledge hub, facilitating connections and networking among members

## OUR VALUES

### CONNECTING

We bring our community together through our member organisations, regions, and the wider paediatric physiotherapy profession

### EMPOWERING

We support our member organisations, and regions to work in the service of others and create lasting change and impact for children and families

### BELONGING

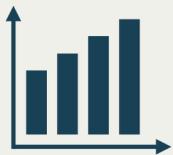

We recognise and embrace the diversity in our paediatric physiotherapy community and our actions create a sense of belonging

### COLLABORATING

We partner with our member organisations, regions, and other stakeholders who share our values and goals

## OUR STRATEGIC PRIORITIES

### SUSTAINABLE, REPRESENTATIVE AND EVOLVING

The IOPTP is a mature, financially sustainable organisation, with a tailored member offering that supports and builds the capacity of member organisations and regions

### ADVANCING PRACTICE

The IOPTP encourages and supports research and education to enhance evidence-informed and family-centred practice, promoting safe and effective outcomes for children and families globally.

### FACILITATING CONNECTIONS

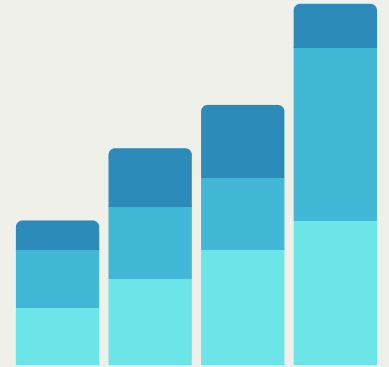

The IOPTP works collaboratively with member organisations, to facilitate interactions between and within specialty groups and external organisations to improve access to paediatric physiotherapy globally and to achieve shared objectives.

# ACHIEVING THE STRATEGIC PLAN

2023 - 2027

## SUSTAINABLE, REPRESENTATIVE AND EVOLVING

**Goal 1 - To ensure the IOPTP is sustainable, relevant and representative of its member organisations**

## ADVANCING PRACTICE

**Goal 2: To encourage evidence-informed and family-centred physiotherapy practice in paediatric care globally**

**Goal 3: To provide programming, mentoring and education to support safe and effective paediatric physiotherapy**

**Goal 4: To encourage scientific research and promote knowledge translation globally in the field of paediatric physiotherapy**

**Goal 5: To foster and facilitate cooperation with and between members of the IOPTP to develop and share resources and information**

## FACILITATING CONNECTIONS

**Goal 6: To assist and advocate for World Physiotherapy member organisations to develop and grow paediatric physiotherapy**

**Goal 7: To promote interactions and collaborations between the IOPTP and other World Physiotherapy specialty groups and relevant external organisations**

**Goal 8: To facilitate meaningful goal-oriented partnerships within and between IOPTP committees**
